

City of Laddonia

Attention Laddonia Residents:

Effective January 1st, 2024

If your water bill is 30 calendar days delinquent and has not been paid in full by the last business day of every month your water will be disconnected on the last business day of that month.

The late bill notices will continue to be sent out on the 16th of every month, if the water bill payment hasn't been received.

If the payment still hasn't been received by the 25th of every month, you will receive a disconnection notice for the last business day of that month via a pink door hanger. City Hall will also attempt to call the phone number we have on file to give a verbal notice on the 25th of that month.

If your water bill has not been paid in full by the last business day of the month, you will be shut off at 3pm on the last business day of the month. If you would like to reestablish your water connection, you will have to pay your FULL delinquent balance with an additional \$50 reconnection fee to have your water service reconnected.

If you have any questions about this notice, please call City Hall.

Thank you,
City of Laddonia
